

TECHNICAL DATA SHEET

30×30×12 Plastic Waffle Slab Form – Large Span Structural Form

SKU: WS-3012

TECHNICAL SPECIFICATIONS

Material	ABS + PP
Color	Black / White
Form Size	30 × 30 × 12 in
Dimensions	29.5 × 29.5 × 11.8 in
Form Type	Waffle / Ribbed Void
System	Modular / Interlocking
Reuse Cycles	200+

PRODUCT OVERVIEW

The 30×30×12 Plastic Waffle Slab Form is a large-span structural void former for heavy-duty waffle slab applications in commercial and industrial construction. Its larger 30-inch footprint covers more area per form, reducing total unit count and installation time, while the 12-inch depth delivers the void volume required for long-span and high-load slab systems.

OPTIONS & CUSTOMIZATION

- **Color:** Black or White
- **Form Size:** Available in multiple depths
- **System:** Modular / custom grid layouts

KEY FEATURES

LARGE SPAN DESIGN	ABS + PP CONSTRUCTION	CONCRETE SAVING	200+ REUSE CYCLES
30×30 in footprint covers more area per form for faster slab installation.	High-strength lightweight materials for precision waffle slab forming.	Deep 12-inch void reduces concrete volume and structural weight significantly.	Easy to strip and reuse — significant project cost savings over many pours.
